PROFESSIONAL EXPERIENCE

Full Stack Developer Team Leader

SHAPER

June 2024 – June 2025

I started a 12 month fixed contract as a Team Leader at Shaper to help upskill new cohorts of PWD learners in Full Stack programming tools and knowledge.

Full Stack Development Intern (Workplace Experience)

ABSA

December 2022 – June 2023

From December 2022 until June 2023, I completed my workplace experience as an intern for the remainder of the Full Stack Learnership under Line management of Charles Phiri on the OHS system

Full stack Development Learnership (Bootcamp)

SHAPER

June 2022 – December 2022

I became part of the Full Stack learnership program at Shaper (Formerly known as The Digital Academy), The learnership upskilled us on development of full stack web applications.

Junior Graphic Designer

Biz Ventures

March 2020 – August 2020

Biz Ventures is a printing company based in Kuruman, Northern Cape that renders services like car branding, signage, poster designs etc. I worked as a Junior Graphic Designer to create concept designs and branding for clients.
